To start using RDC, open up your GEICO FCU Mobile app and select "Check Deposit"

From this screen you will be prompted to select the account where you would like to deposit the check. You will also be prompted to indicate the amount on the check you're depositing.

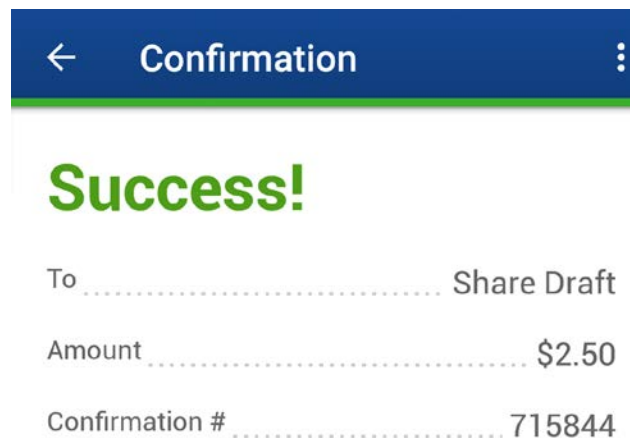

Once the information is filled out, you will be prompted to take a photo of the front and back of the check. Make sure you are in an area with plenty of light or turn your flash on.
